JC High, Our Alma Mater
to thee our toasts we raise
with loyal hearts and open minds
we sing our songs of praise.
Her buildings stately round us stand
A memory we hold dear
With love and hope we make our pledge
To Junction, our Alma Mater.

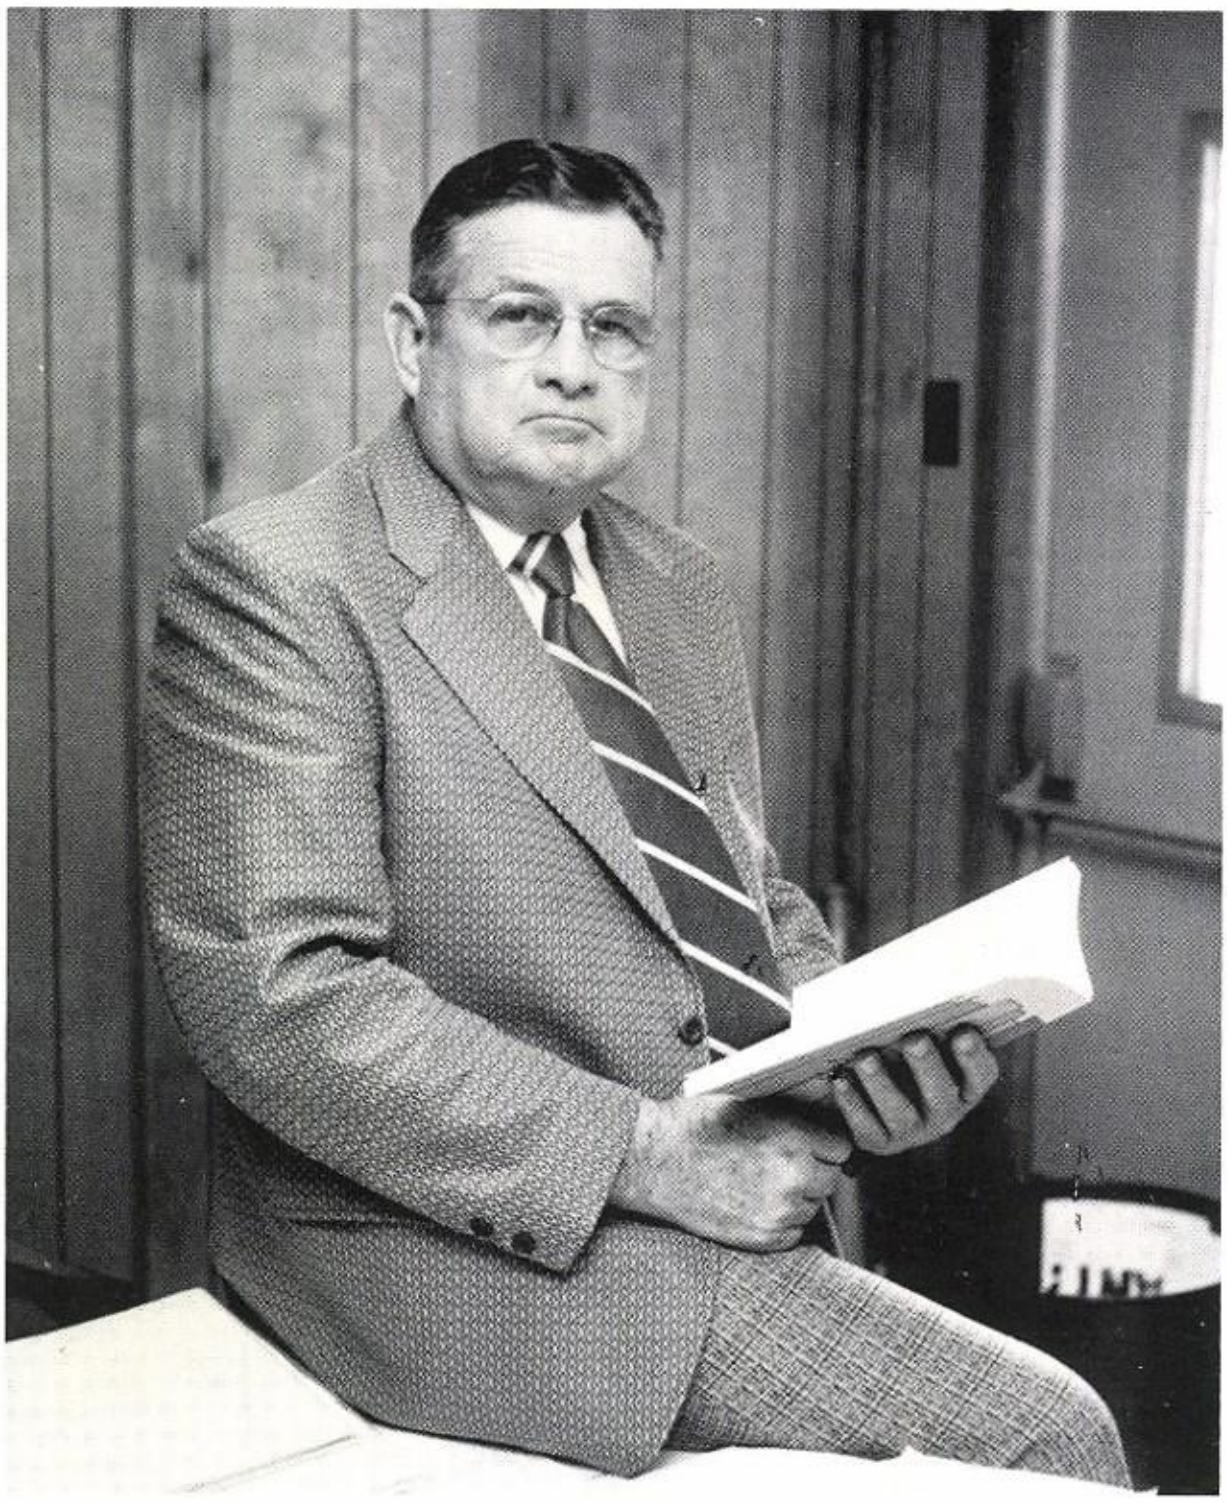
DEDICATION



We, the members of the Junction City Annual Staff, dedicate with sincere gratitude our 1976 Dragon Yearbook to Mr. R. L. Bolen.

Mr. Bolen has been the superintendant of our school since 1937. He was a coach and also principal of Junction City in the years 1935-1936.

He has always strived for quality education and through his cooperation and support has helped many organizations such as the annual staff.

That is why we feel tht he should be honored in our 1976 Yearbook.

Class History

We the Class of ''76'' in order to form a more perfect school, establish spirit, insure domestic chaos, provide for the Dragon defense, promote the average report card, and secure the blessings of our presence at Junction City Public School, met in class in the year 1964.

The beginners of this high spirited class were Nancy Booth, Judy Cook, Mike McWhirter, Randy Hammett, Janice Wood, Becky Peace, Donna Pepper, Clarence McLelland, Mike Bryant, Susan Anderson, Cindy Bryan, Danny Cole, Helen Otwell, Ronald Courtney, Terri McGoogen, Brent Wilson, Jackie Sweet, Ty Peace, Doug Rocket, Jon Fish, Johnny Caldwell, Kathy Hightower, Terry Lewis, Jimmy Dolden, and Sharon Spooner.

The second grade was the year that Mike Mc. had a crush on all those cute little girls, especially Janice W. and Nancy B. He chased them but wouldn't catch them for long because Helen Ann would come to their rescue.

In the third grade we added Nancy McCray from Tulsa, Oklahoma. We don't know what we would do without her mouth at the pep rallies. Remember Kissa Mama (Helen O.), Snake Mama (Nancy B.), and Hippo Mama (Ellen H.)?

In the fifth grade we caught up with Ray Cates. From the big city of Ruston, La. came Glynn Funderberk to join our gang. We never had a peaceful day afterward and neither did Mrs. Waller's classroom garden. Remember the song we used to sing to the tune of ''Camptown Races?'' Who's got the . . . and the way Mrs. Waller ate banana bikes and drank cokes while we starved and looked pathetic.

Then came the sixth grade when everybody in Mrs. Neil's room got sent to the office. That year George Lockey waited for us to catch up and Karen Thurlkill from Twenty-nine Palms, CA. plus Jamie Sherman came from Camden, Ark. and joined our happy group with their gigantic mouths.

In the seventh grade Clarence Ritchey swam up the Mississippi from New Orleans to join us. More additions were Carolyn Brown, Willie Curry, Ola Faye Davis, Glen Elmore, Larry Frazier, Donnie Hoff, Robert Malone, Lonnie Lowrey, Charles McClelland, Eddie Meeks, Victor Moore, Debra Montgomery, Alice Noble, Mark Scott, Eugene Smith, Lenore Steward, Dorothy Tubbs, and Carolyn Willis.

Our eighth grade year was full of excitement! Being the oldest in grade school had its advantages. We were able to push the little kids around and get by with a lot more. That year came James Williams from Mount Holly to add to the confusion. Such as: Remember the enjoyment we got out of listening to the Robert Goulet records in Mrs. Farrar's room every Christmas, while she was drinking what appeared to be Dr. Tischner's and washing her hands? Remember the way the boys always mopped Mr. Sims Room after the girls flushed the john and flooded the room?

From Meghee, Ark. came Trigg Jacobs bouncing in during Dual State to cause more trouble our freshman year. Our girls really knocked over those high school boys! Jamie and Ricky, Nancy and Mike, Judy and Stan, Nancy and Les all hopelessly captured! By the end of the year we finally got into the swing of high school life.

From ElDorado came Vicky Bryan, now Vicky Ham since she captured Tom the first time he saw her. And from Ulysses, Kan. came Karen Parker, the short kid with the big mouth who went on to become editor of our 1976 Dragon Annual. This was the year Mrs. Ratcliff almost had a nervous breakdown because of Jamie Sherman and her wild desire to take her typewriter apart, although she could never quite put it back together.

Our Junior year we got a thrill with the arrival of Sherry Cessna, from ElDorado. The mean gang of Karen T., Jamie and Donna grew more hostile after the addition of Sherry. Also from Shreveport came Lynn Hayes to aid the Dragon football team. We did win an extra game that year!

Senior 76! This is our last chance to make the best of our opportunities at Junction City High School. Our senior year is a year of decisions for planning our futures, pride in being able to come this far, and sadness in having to leave our friends behind. We are proud to be the Seniors of 76 and now it is our turn to say good-bye wishing you all good luck because "We may never pass this way again."

In the Name of the Father, and of the Son, and of the Holy Ghoſt. Amen.
OUR Father, which art in Heaven; hallowed be thy Name; thy Kingdom come, thy Will be done on Earth, as it is in Heaven. Give us this day our daily Bread; and forgive us our Treſpaſſes, as we forgive them that treſpaſs againſt us: And lead us not into Temptation, but deliver us from Evil. Amen

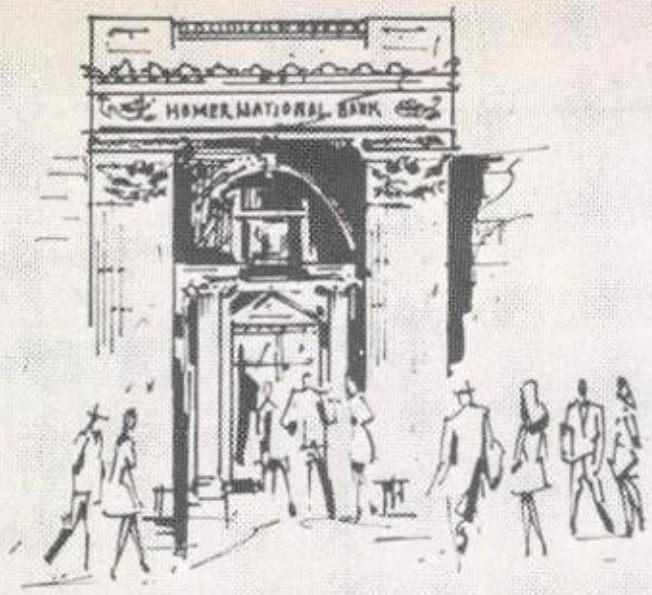
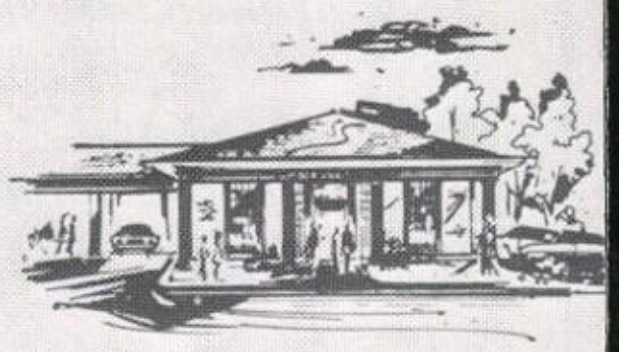
HOMER NATIONAL BANK

HOMER, LOUISIANA 71040





Claiborne Parish invites new industry . . . with pleasure. Industries who have located in Homer have discovered that the recreational advantages for employees are as important as its natural resources and favorable labor market. A center for both business and pleasure, Homer abounds in year-round activities for water sportsmen and fishermen. A good place to work and play, Homer's growth potential lies in its favorable climate for industry and sports.

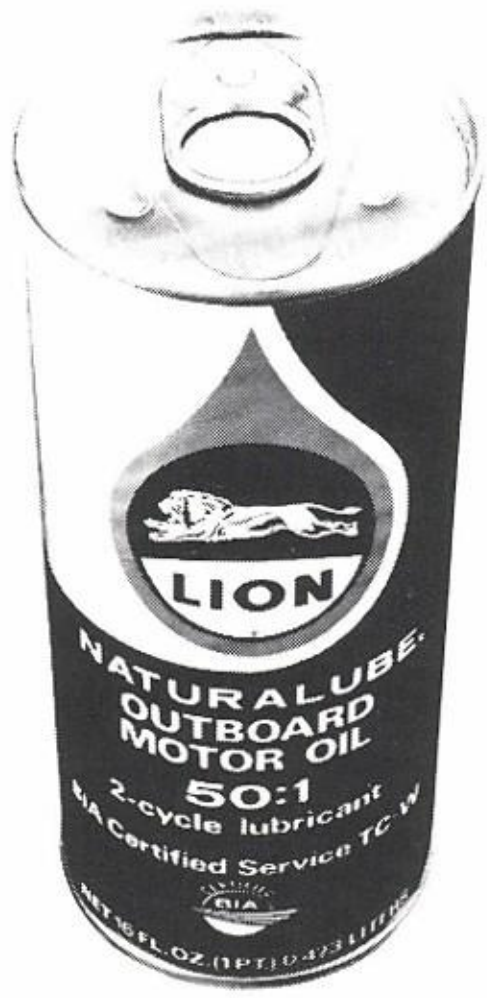
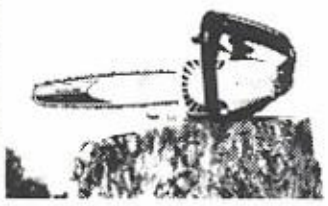
NEW

Naturalube® outboard motor oil

Now certified by Boating Industry America

Passes BIA tests for 50:1 and all other mixing ratios. Most leading motor manufacturers' warranties specify BIA-approved oil. Lion's new oil guards your motor from piston varnish and ring sticking. Acts against combustion deposits and plug fouling.





Recommended for chain saws and two-cycle power mowers. Passes McCulloch's fourteen-hour test for chain saws.

DRAGONS

Editor's Note

As the editor of our 1976 Dragon Annual, I would like to say thank you to everyone who has helped make this year's annual the special one that it is.

The members of the staff have worked hard and well together to make this the type of annual that we thought you would enjoy and could be proud of in the years to come.

I especially want to thank Mr. Bennie Adams, our advisor, for being patient and keeping things organized.

We owe a lot to the 1975 Annual Staff also. Because of a mistake made by the publishing company, the color pages that had been planned for their annual were printed in black and white. That is why we have been given eight color pages for this year's annual.

Our annual expresses patriotism for the Bicentennial year and our class of ''76.'' Many people let us use their homes in making our pictures which helped in making this Bicentennial edition. I would like to thank each one for his help because without the help of these people our annual would not have been the same.

I hope that you enjoy our annual as much as we have enjoyed putting it together. In years to come, we hope that the spirit of ''76'' will remain although our class has moved on.
